James Gandolfini is hoping to make an offer a developer can't refuse.

The former "Sopranos" star, whose search for a new roost appears to be a priority, was seen poring over plans at the Fairchild, a new condo project at 55 Vestry St. in TriBeCa.

Included in the building — which is expected to be completed in about six months — are 21 townhomes, penthouses and lofts designed by **David Howell**. Prices there range from \$1.965 million to \$8.995 million.

Triplex residences have up to 3,500 square feet of interior space and feature private street-level entrances.

The Marketing Directors is exclusively handling sales.
